our generation®

18" DOLLS WITH FASHIONABLY FUN OUTFITS AND ACCESSORIES

OG® Catalogue 2025

this is our story®

Our Generation® is bigger than a toy company.
We invite girls into a community of empowerment and play,
a place where their collective voices create
the narrative of their generation.

It's impossible to separate Our Generation® characters from
the generation of girls who play with them, for they are
one and the same. They are our daughters and our nieces.
The girls who sell us cookies, walk our dogs and do cartwheels
down the block.

Through the books and the dolls, Our Generation® heroines
come to life in the hands and minds of the girls of this
generation. They become best friends and role models.
Someone who understands what it's like to be a girl in a time
and place filled with so many pressures, but also so many
freedoms and opportunities.

Together, they act out forming positive relationships,
overcoming personal hurdles and having fun. Making the right
choices and even dealing with what happens when they make
the wrong ones.

Preparing for what lies ahead while realizing just how
important it is to embrace today.
