A blue-tinted photograph of three children lying in a hammock. The child on the left is smiling at the camera. The child in the middle is laughing with their mouth wide open. The child on the right is smiling. They are all wearing light-colored clothing. The background shows the fabric of the hammock and some foliage.

BATTAT HAS BEEN IN BUSINESS SINCE 1897

For more than **122 years**, we've been a family-run business that values family above all else, and it shows in our products.

Our design, differentiation, reliability, quality and value have earned the trust not just of retailers but—more importantly—of moms.

Our toys, have sold for 40 years without TV advertising campaigns. They sell through methods much more powerful: mom-to-mom conversations in playgrounds, teachers' experience in classrooms—and kids' pure enjoyment.

We have built our reputation over the years by delivering high quality, durability, design and value to children of the world.

We are proud to manufacture these award-winning Battat toys.
