

A young boy with short dark hair, wearing a light blue striped shirt, is focused on playing with a large, colorful structure made of Bristle Blocks. The structure is built on a yellow circular base and features various shapes like rectangles, triangles, and flowers in red, blue, green, and yellow. A small red dinosaur figurine sits on top. The boy is holding a green block with a flower-shaped top. In the background, a bookshelf filled with books is visible. The top of the image has a decorative border of colorful Bristle Blocks.
